

SYLAS LYU

B.S. Psychology and UX Design, Purdue University [junior]. Research in student mental health data, healthcare analytics and responsible AI.

yutinglyu050131@gmail.com linkedin.com/in/sylas-lyu-73815525 Providence, Rhode Island

Experience

UNC NicE X Lab — Undergraduate Research Assistant, internship

JULY 2026 TO PRESENT

- Studies how everyday smartphone and wearable data can help us understand student mental health, using a multi-year dataset that spans four student cohorts.
- Tested whether large language models can translate behavioural and self-report data into established mental health measures.
- Built Python tools to check data quality and coverage across cohorts, and made visualisations comparing groups.
- Reviewed lab manuscripts and presented at lab meetings.
- Co-wrote the paper through three rounds of review to publication.

Human Betterment Analytics Research Lab — Undergraduate Research Assistant, Purdue University

FEBRUARY 2026 TO PRESENT • WEST LAFAYETTE, INDIANA

- Support research on data optimization in healthcare and clinical decision making.
- Assist with literature review, data processing and model implementation.
- Maintain documentation, reproducible code and version control for ongoing projects.

Brown University CNTR — Research Assistant

MARCH 2022 TO MAY 2023 • PROVIDENCE, RHODE ISLAND

- Center for Technological Responsibility, Reimagination, and Redesign. Supported research on responsible AI and technology policy, analysing system impact.
- Conducted literature reviews on bias, accessibility and fairness in technology design.
- Synthesized research findings into structured summaries for projects.

Antagen Biotech — Computational Biology Research Assistant

JUNE 2021 TO JUNE 2022 • BOSTON, MASSACHUSETTS

- Contributed to a computational biology project applying AlphaFold for protein prediction.
- Ran models on GPU-based systems and analysed the 3D structural outputs.

BrainCo Inc. — Technology, Media and Telecommunications Intern

MAY 2021 TO SEPTEMBER 2021 · SOMERVILLE, MASSACHUSETTS

- Developed investor-facing presentation materials for live Q&A sessions.
- Conducted competitive analysis on market positioning and product differentiation.
- Structured and managed a client data room, organizing stakeholder documents.

Education

Purdue University — B.S. Psychology and UX Design

2024 TO PRESENT · WEST LAFAYETTE, INDIANA

- GPA 3.9 · Dean’s List and Semester Honors [2 years]
- Student Government, Psychology Club, ACG Club, PUCSSA

Skills

CODE

Python, Java, JavaScript, MySQL, HTML/CSS, Git

DATA

Pandas, NumPy, Jupyter Notebook, Power BI, Tableau, Excel

DESIGN

Figma, Adobe XD, Axure RP

HARDWARE

Raspberry Pi + Arduino

Certifications and awards

- Google Data Analytics Certificate
- AWS Certified Cloud Practitioner
- USACO Platinum [Top 50 in US]
- ISEF Second & Third Grant

Leadership

Student Senate · Robotics Captain · Varsity Captain · ACG Club Treasurer
